

# Personalized and collaborative care support for your entire health journey.

## Connect

Catalyst has an entire team of care coordinators, nurses, pharmacists and more--all ready to support your health needs and the management of your conditions, and all available at no additional out-of-pocket costs.

## Engage

Understanding how to manage your health can be challenging. Even knowing which questions to ask can feel overwhelming. That's why the Catalyst Care Team partners with you at every step to help you make informed decisions for your health.

## Navigate

Our team guides you through the complexities of healthcare to make it easier for everyone. Whether you have questions about how to use your benefits properly or how to find the right doctor or anything in between, we're ready to assist you.

## Dedicated resources for higher-risk patients:

- Headed Home Care
- Hospital Discharge
- Medication Management
